International scientific and practical conference

“INTERNATIONAL HISTORICAL EXPERIENCE OF POSTWAR ECONOMIC RECONSTRUCTION: LESSONS FOR UKRAINE”

April 27, 2023 (online)

Dear colleagues!

We invite scientists, graduate students, doctoral students, employees of economic divisions of companies, state executive and local self-government bodies, members of public organizations and all those interested in the topic of the event to participate in the Conference.

The purpose of the Conference is to develop the historical-empirical and economic-theoretical basis of the national strategy and the road map of the postwar reconstruction of Ukraine’s economy; defining the expediency and mechanisms of the implementation of positive international experience in the practice of postwar reconstruction of Ukraine.

Topical discussion panels:

1. Economic and theoretical basis of national reconstruction strategies.
2. Successful foreign practices of postwar reconstruction and economic modernization: possibilities of implementation in Ukraine.
3. Regional economic reconstruction policy and strategic priorities of social development.
4. Open science as a factor in the postwar recovery and development of Ukraine as a strong European country.
5. The role of civil society in implementing the tasks of institutional modernization.

The expected result is the formulation of historical and economic generalizations and practical recommendations for government structures regarding the strategy, priority directions and mechanisms of the postwar reconstruction of Ukraine’s economy.

Forms of the presentation of results and publication of conference proceedings:

- collective monograph (electronic edition),
- a collection of abstracts (electronic edition),
- press releases on the websites of the co-organizers of the conference and the National Academy of Sciences of Ukraine,
- scientific and analytical materials for higher government authorities,
- a review in the “Scientific Life” section of the “Economy of Ukraine” journal.

Conference languages: Ukrainian, Polish, English.

APPLICATION AND ABSTRACT

To participate in the Conference, it is necessary to fill out the participant’s electronic application at <https://forms.gle/qpZACprepWwwqfhS8> in which you need to attach an abstract of 200-250 words before **April 1, 2023**.

CHAPTER IN THE COLLECTIVE MONOGRAPH

Based on the results of the Conference, it is planned to publish an **international collective monograph** (electronic edition), which will be recommended for publication by the Academic Council of the “Institute for Economics and Forecasting of the National Academy of Sciences of Ukraine”. The monograph will be assigned an ISBN number.

To publish materials in the collective monograph, authors must send to the e-mail address of the organizing committee economistori@ukr.net by **April 25, 2023**, sections of the monograph that correspond to the theme of the conference, from 12 to 30 pages in A4 format (Font – Times New Roman, size – 14, line spacing – 1.5).

Mandatory elements of the manuscript are: first name, second name, scientific degree, scientific title, position and place of work, title of the section, an abstract of 200-250 characters, the main text, conclusions, a list of sources, designed in accordance with the international bibliographic standard APA (<http://library.albany.edu/cfox#top> <http://nbuv.gov.ua/node/929>). The author’s first name and second name, the title and abstract of the manuscript should be submitted **in the language of the section and in English**.

Publication languages – Ukrainian, Polish, English.

The monograph will be published subject to the availability of a sufficient number of high-quality manuscripts that have successfully passed the independent peer review.

The organizers reserve the right to reject manuscripts that do not meet the topic, requirements or the level of publication.

Participation in the conference and publication are free.
