National Academy of Sciences of Ukraine"**

**Vilnius University, Lithuania
invites you to participate in
International scientific-practical
conference**

*"Opportunities and risks of building a
social state in Ukraine in conditions of
global uncertainty"*

10th of December 2025

(Kyiv, Ukraine – Vilnius, Lithuania)

11.00 AM

Kyiv – Vilnius, 2025

CONFERENCE SECTIONS (TOPICS):

1. Challenges of implementing the welfare state policy in Ukraine in the post-war period and in the EU countries under conditions of increasing global uncertainty.
2. The system of risks and global challenges within the framework of social policy.
3. Institutional mechanisms for implementing the principles of the welfare state policy in the post-war economy.
4. EU experience in the formation and implementation of state social policy and substantiation of the directions of its use in Ukraine.
5. Ways of incorporating European approaches of minimum guaranteed income into the practice of post-Soviet countries.
6. Guidelines for reforming social policy in Ukraine on the principles of the welfare state and the European model of social security.

On this scientific discussion platform, we propose to discuss the possibilities of transforming social policy and the tools for ensuring a decent standard of living in the post-war economy.

Working languages : Ukrainian, English.

Form of participation: remote
